

MY LETTER TO YOU

Dear Local Resident

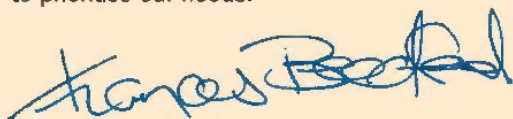

I successfully represented the Florey electorate between 1997-2022. I left the Labor Party in 2017 and became an Independent because I believe the people of the Northern and North Eastern suburbs deserve a local member who actually works for them – not political bosses, parties or factions.

I want to keep fighting for local priorities:

- More services at the Lyell McEwin and Modbury Hospitals
- Free emergency ambulance cover
- Making sure local schools are properly resourced
- Better funding and resources for local groups and sporting clubs
- Reliable public transport services with better facilities, parking and transport links
- Support for local businesses
- A Housing Plan we can see really delivers.

I can provide an alternative to the 'top down' policies we see from major parties – **especially in the 'safe seats' like Florey they take for granted.**

I want a safer community and genuine participation to prioritise our needs.

PS Democracy happens every day!

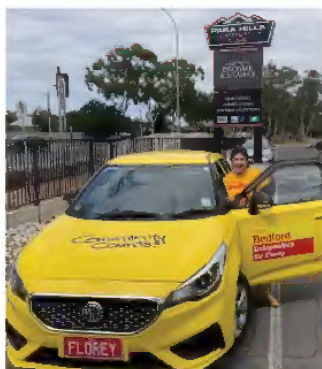

**Frances
Bedford**
Independent for Florey

State Election – Saturday 21 March 2026

*This election, you really
do have a choice!*

**Frances
Bedford**
Independent for Florey
on Saturday 21 March 2026

**Vote for an Independent
who will vote for you!**

ENDORSEMENTS & PROJECTS

Allan Ingle Farm
Andrea Pooraka

"We've known Frances for over 25 years. She's involved in so much, and really cares for our community."

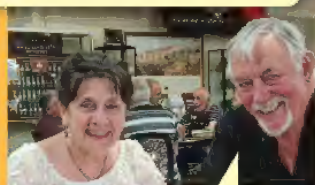

Scott Local Artist

"Frances supports local arts and was at the unveiling of my sculpture panel at the Para Hills Community Club."

Franklin Chief Executive, Foodland

"Frances has been supporting local products and the Australian Made Campaign for over 25 years."

Moose Dunlop OAM AIMM

Ex-President RAR Association

"Frances has been a wonderful supporter of veterans and the RAR for many years. As a consequence she remains one of only two women ever admitted as an honorary member of this male-dominated club."

Pooraka Sports & Community Club

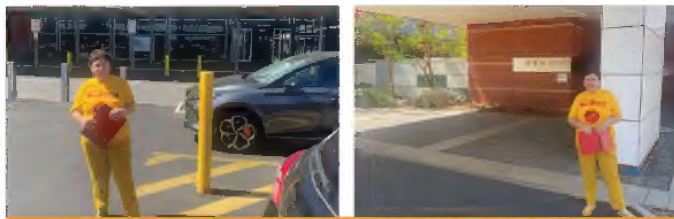

"Even with the new change rooms under construction, there's lots more to do at Lindblom Park."

Pooraka Allstars Netball

"For their 70th anniversary, I want to see big improvements in the facilities where our local teams practice."

BETTER LOCAL SERVICES

Acute Health Services in the North

As the North grows, we'll need even better services at the Lyell McEwin Hospital - especially in the Emergency Department and mental health care centre.

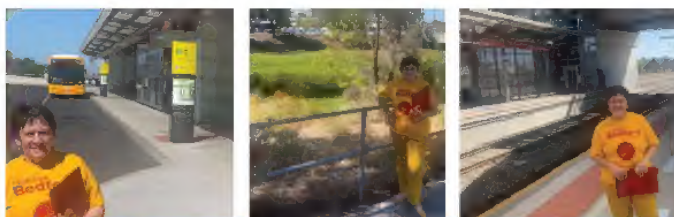

Saving and Improving Modbury Hospital

We won the fight to keep Modbury Hospital Public. Since then, we've fought to retain and improve services available at this now much valued health centre. Keeping hospitals and services public - and local - means treatment closer to home.

Better Services for You!

While some other states have free emergency Ambulance cover, South Australia doesn't. I'll fight for free emergency cover for us, just like I fought to keep Service SA offices, including Elizabeth, Modbury and Regency Park.

Public Transport - East West Link

Buses and Trains are heavily used at peaks every day - saving you money and keeping cars off the road. Parking and concourse facilities at the Mawson Lakes interchange really need improvement. And better transport links east-west would make a difference getting around Adelaide.

LOOKING OUT FOR LOCALS

In Parliament

As your local Member, I'll attend all sitting days, raise local issues, contribute to debates and develop legislation.

In the Electorate Office

I'll make my self available to meet constituents and discuss any problems or issues of concern.

In the Community

Keeping in touch by meeting with locals and listening to their ideas, issues and concerns at local clubs, shopping centres and street corner meetings.

ABOUT FRANCES

My Interests

Current affairs (obviously!).
Gardening, cooking (and eating) food.
Films, books and music.
History and genealogy.

My family

Two adult children
Four grandchildren
